

Driving decarbonization and digitalization. Together.

Manager Transfer Pricing (f/m/div)

Job description

Do you have a passion for driving impactful global tax strategies? Are you ready to optimize and evolve Infineon's transfer pricing approach? We are seeking a dedicated Manager Transfer Pricing to join our team. As part of this role, you will play a key part in ensuring Infineon's tax transfer pricing compliance, refining the Group's transfer pricing concept, offering expert transfer pricing advice across all organizational levels and contributing to M&A activities and intra-group restructurings in the area of transfer pricing. If you are ready to take on this dynamic and challenging role, we invite you to join us in shaping Infineon's global tax transfer pricing strategy.

In your new role, you will:

- Review, optimize and further develop Infineon's global tax transfer pricing strategy, including cooperation in the implementation of identified measures
- Collaborate in the further development and the implementation of the Group's internal transfer pricing guidelines
- Provide tax advice to all organizational levels of the Group in Germany and abroad on transfer pricing issues
- Provide transfer pricing advice in the context of M&A activities (in particular tax-optimized integration structure) and intra-group restructurings as well as contribute to the evaluation of transfer packages for transfers of functions
- Determine arm's length transfer pricing methods and transfer prices for intra-group transactions
- Monitor the possible impact of legislative changes in the area of transfer pricing on the Group structure and operational processes
- Defend tax positions in the area of transfer pricing during tax audits at home and abroad as well as support

Why Us

Driving decarbonization and digitalization. Together.

Infineon designs, develops, manufactures, and markets a broad range of semiconductors and semiconductor-based solutions, focusing on key markets in the

automotive, industrial, and consumer sectors. Its products range from standard components to special components for digital, analog, and mixed-signal applications to customer-specific solutions together with the appropriate software.

ACT

Infineon´s stakeholders rely on relevant, accurate and timely financial information. Our department **Accounting, Controlling & Taxes** bundles all accounting functions at Infineon from transactional accounting at the Infineon Shared Service Center to IFRS and HGB guidelines, Group Consolidation and External Reporting.

We are on a journey to create the best Infineon for everyone.

This means we embrace diversity and inclusion and welcome everyone for who they are. At Infineon, we offer a working environment characterized by trust, openness, respect and tolerance and are committed to give all applicants and employees equal opportunities. We base our recruiting decisions on the applicant´s experience and skills.

We look forward to receiving your resume, even if you do not entirely meet all the requirements of the job posting.

Please let your recruiter know if they need to pay special attention to something in order to enable your participation in the interview process.
