

Certificate No. 15 (Recertified November 27, 2019-3 Copies)
December 10, 2019 through December 9, 2022

Certificate of Registration

This is to certify that the Quality Management System of

IOR HiRel

An Infineon Technologies Company

International Rectifier HiRel Products Inc.

205 Crawford Street, Leominster, Massachusetts 01453-2353 USA (a)
(Central Function/Controlling Address)

2520 Junction Avenue, San Jose, California 95134-1902 USA (b)
Ellekaer, DK-2730, Herlev Denmark (c)

Site definition: Several Site

Has been assessed by **EAGLE Registrations Inc.** and
conforms to the following standard:

AS9100D Including ISO 9001:2015

This assessment was performed in accordance with the requirements of AS9104/1:2012
EAGLE Registrations Inc. is accredited under the Aerospace Registrar Management Program

Scope of Registration

Overall Scope: Design and manufacture of High Reliability, power management components ranging from stand-alone packaged discrete power semiconductors and integrated circuits to complex hybrid microcircuits, DC-DC converters, PWB hardware and filters used in industrial, defense, aerospace and space applications. ®

Certificate No. 15 (Recertified November 27, 2019-3 Copies)
December 10, 2019 through December 9, 2022

Design and manufacture of high reliability, power management components including packaged discrete power semiconductors, integrated circuits, hybrid microcircuits and PWB hardware used in industrial, defense, aerospace and space applications. (a)

Design and manufacture of high reliability, power management components including hybrid microcircuits, DC-DC converters, PWB hardware and filters used in industrial, defense, aerospace and space applications. (b)

Design of high reliability, power management components including hybrid microcircuits, DC-DC converters, PWB hardware and filters used in industrial, defense, aerospace and space applications. (c)
