

Technical drawing of a 16-pin connector. The drawing shows a rectangular body with 8 pins on the top and 8 pins on the bottom. The pins are numbered 1 through 8 on the top and 1 through 8 on the bottom. A dimension of 1.27 is indicated for the pitch between the pins. A dimension of 0.41 ± 0.05 is indicated for the width of the pin body. A feature control frame is shown with the following text: 8 ×, 0.25 (M), A-B C. A label 'Pin1 marking' points to a circle on the left side of the connector body. A label 'A' is in a box at the top right, and a label 'B' is in a box at the bottom right.

- All dimensions are in units mm

Drawing according to ISO 8015, general tolerances ± 0.05 ; $\pm 1^{\circ}30'$
