

SLE 76CF4480P

16-bit Security Controller
Optimized for Mobile Communication Applications

448 kBytes FLASH
12 kBytes RAM

Short Product Overview

Nov. 2012

Edition 2012-11**Published by****Infineon Technologies AG****81726 Munich, Germany****© 2013 Infineon Technologies AG****All Rights Reserved.****Legal Disclaimer**

The information given in this document shall in no event be regarded as a guarantee of conditions or characteristics. With respect to any examples or hints given herein, any typical values stated herein and/or any information regarding the application of the device, Infineon Technologies hereby disclaims any and all warranties and liabilities of any kind, including without limitation, warranties of non-infringement of intellectual property rights of any third party.

Information

For further information on technology, delivery terms and conditions and prices, please contact the nearest Infineon Technologies Office (www.infineon.com).

Warnings

Due to technical requirements, components may contain dangerous substances. For information on the types in question, please contact the nearest Infineon Technologies Office.

Infineon Technologies components may be used in life-support devices or systems only with the express written approval of Infineon Technologies, if a failure of such components can reasonably be expected to cause the failure of that life-support device or system or to affect the safety or effectiveness of that device or system. Life support devices or systems are intended to be implanted in the human body or to support and/or maintain and sustain and/or protect human life. If they fail, it is reasonable to assume that the health of the user or other persons may be endangered.

Product name	SLE 76CF4480P
Product description	Security Controller
Interfaces	ISO 7816
Memory	448 kBytes Memory + 12 kBytes RAM
CPU	16-bit
Symmetrical cryptography	3DES, AES up to 256-bit
Asymmetrical cryptography	–
Ambient temperature	-25 to + 85 °C
Delivery forms	FCOS™ module, Wirebond module, die
Typical applications	SIM & UICC
Certification level	–

For further information on technology, delivery forms and conditions please contact your nearest Infineon Technologies sales representative (www.infineon.com).

Infineon Technologies – innovative semiconductor solutions for energy efficiency, mobility and security.
