Step 4 of 9

**Please enter the Quality Management System(s) (QMS) that is/are employed for each location you produce or will produce products/services for Infineon.**

In case you don't employ any Quality Management system in the selected location, just enter the quality contact and check the item "No QMS available".

## Enter QMS

Upon approval, all suppliers shall acknowledge that they have reviewed and understood the requirements outlined in [Purchase Specification part A](#). Suppliers shall also state that they are capable of meeting these requirements and intend to do so. An authorized representative of your company will so affirm by signing the [PS A Declaration of Consent](#).

The signed copy of this document has been send or faxed to +49 (89) 234 955 0830

In case of explicit differences between the terms of Purchase Specifications part B/part C or/and Quality Assurance Agreements and [Purchase Specification part A](#), the Purchase Specifications part B/part C or/and Quality Assurance Agreement take precedence.

Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
D07	Other BE Materials	(required QMS)
D0799	Other BE Materials, remaining	(CQT/CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
D08	High Power Specific Backend Materials	(required QMS)
D0801	High Power Ceramic Substrates	(CQT/CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
D0802	High Power Housing	(CQT/CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
D0803	High Power Ceramics	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
D0804	High Power Mold Compound	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
D0805	High Power Driver for IGBT Modules	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
D0806	High Power Diode Chips	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
D0807	High Power Copper Parts, punched	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
D0808	High Power Copper Parts, turned	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		

D0809	High Power AISiC baseplates	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
D0810	High Power Modules	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
D0811	High Power Various Stack Assembly parts	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
D0812	High Power BE Packaging Materials, others	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
D0999	High Power Specific Backend Materials, others	(CQT/CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		

E Back End Equipment, Spares Consumables & Maintenance

E01	Back End Equipment	(required QMS)
E0101	Die Bonding	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
E0102	Wire Bonding	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
E0103	Flip Chip Bonding	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
E0104	Molding Equipment	(CQT)
Supplied in past? <input type="checkbox"/> Supplied since? <input type="text"/> Potential future supply <input type="checkbox"/>		
Qualified mutually exclusive site or source for product available in case of site line-down? <input type="checkbox"/>		
E0105	Trim & Form, Singulation	(CQT)

Step 4 of 9

**Please enter the Quality Management System(s) (QMS) that is/are employed for each location you produce or will produce products/services for Infineon.**

In case you don't employ any Quality Management system in the selected location, just enter the quality contact and check the item "No QMS available".

## Enter QMS

Upon approval, all suppliers shall acknowledge that they have reviewed and understood the requirements outlined in [Purchase Specification part A](#). Suppliers shall also state that they are capable of meeting these requirements and intend to do so. An authorized representative of your company will so affirm by signing the [PS A Declaration of Consent](#).

The signed copy of this document has been send or faxed to +49 (89) 234 955 0830

In case of explicit differences between the terms of Purchase Specifications part B/part C or/and Quality Assurance Agreements and [Purchase Specification part A](#), the Purchase Specifications part B/part C or/and Quality Assurance Agreement take precedence.

Step 4 of 9

**Please enter the Quality Management System(s) (QMS) that is/are employed for each location you produce or will produce products/services for Infineon.**

In case you don't employ any Quality Management system in the selected location, just enter the quality contact and check the item "No QMS available".

## Enter QMS

Upon approval, all suppliers shall acknowledge that they have reviewed and understood the requirements outlined in [Purchase Specification part A](#). Suppliers shall also state that they are capable of meeting these requirements and intend to do so. An authorized representative of your company will so affirm by signing the [PS A Declaration of Consent](#).

The signed copy of this document has been send or faxed to +49 (89) 234 955 0830

In case of explicit differences between the terms of Purchase Specifications part B/part C or/and Quality Assurance Agreements and [Purchase Specification part A](#), the Purchase Specifications part B/part C or/and Quality Assurance Agreement take precedence.
