

Dear Student,

We are glad about your interest in the **SummerSchool about semiconductor manufacturing**. This event enables you to establish a network with other students and professors as well as the cooperation with Infineon Technologies Austria AG. Therefore, we hope to receive your application as soon as possible and we are looking forward to hearing from you.

Infineon SummerSchool will take place from September 12 - September 16, 2022 in Villach.

- ✓ We will care for your accommodation and the overnight costs. Arrival will be on Monday, September 12, 2022. Travel costs are not included.
- ✓ Lunch will be provided at the canteen of the company site. (Meat and vegetarian)
- ✓ There will be a social activity where you can gain great experiences with other students and also experience the work-life-balance at Infineon Austria Technologies AG.
- ✓ Within the SummerSchool we will give you the opportunity to have an exchange with Infineon experts and their topics for bachelor, master and PhD theses and you will have the opportunity to take part in job interviews.
- ✓ A pre-selection for the interviews will be done by us. You do not have to prepare anything for the interviews.

I agree to participate bindingly at the Infineon SummerSchool 2022. I acknowledge that during the SummerSchool pictures and videos will be taken and those can contain recordings of my person. I authorize Infineon to use this material for their publications. I agree to receive Infineon newsletters and further marketing information about Infineon Schools. (You can cancel the free subscription any time.)

Looking forward to seeing you in Villach!
Infineon SummerSchool-Team
